Kort beskrivelse
Motor Water Cooling Jacket Cover Ring Brass for 380 540/550 775 Motor RC Boat

Beskrivelse

Motor Water Cooling Jacket Cover Ring Brass for 380 540/550 775 Brush Motor RC Boat

-- Discription --

- This Brass water cooling jacket is for brush motor which is used on RC boat, RC ship, RC marine.
  The inner diameter of these jacket is a little smaller than motor diameter,That can make the jacket close fit the motor. The brass material is elastic, please rotating the jacket into the motor with a little muscle when you first install them.

  There are there sizes optional for motor:

  Size A: Suit motor diameter:28mm, such as 370/380/385/390/480, Coils:4.5

  Size B: Suit motor diameter:36mm, such as 540/550/560, Coils:5.5

  Size C?Suit motor diameter:42mm, such as 750/770/775, Coils:6.5
